

## SWITCH TROUBLE HAS SHORT LIFE

Men Well Paid—Walked Out in Sympathy for "Cause."

### JOIN YARDMEN UNION

Back to Normal With Only Union Men Called Back to Their Jobs.

Switching troubles that have hampered the handling of freight cars on the Sand Springs railway line since last Thursday were reported to be over yesterday with conditions practically back to normal. Freight is being moved with the usual dispatch, according to officials. All engine and switchmen handling freight turned in their keys Thursday after they had refused to handle freight at the terminal. The men notified the company that they had no grievance of any kind and that they were striking simply out of sympathy for the cause. One of the men stated the object is to curtail the supply of oil to the big railway centers so that the handling of freight there by big trucks would be hampered.

The walkout was unusual in that the company has been paying its switchmen \$1 per hour, and 55 cents per hour for helpers. This wage concession was granted the switchmen during the strike in the local yards here and in which the company was not involved. The men at that time did not belong to the association of yardmen, but later joined the union.

### BOYS TO SELL HISTORIES

Seven High School Boys Will Help Dispose of Historical Work.

The Tulsa County Historical society has arranged with the following high school boys to sell copies of the history of Tulsa county in the world war: M. A. Handy, O. E. Taylor, Carl Smith, Kenneth Woodward, Herin Culver, S. F. Harris and R. T. Johnson. These boys were selected from a large number of students and were designated as sales agents in order to give them an opportunity not only to dispose of the historical work, but to earn vacation money for their personal use. "The historical society will appreciate any courtesies extended its representatives as above named," officials of the society said yesterday.

### Shatters Locked Door With Auto At 4 A. M.

David Simmons, negro chauffeur employed by Carl Downing, drove slowly west past police headquarters about 4 o'clock Sunday morning, his eyes cast on watching motorcycle officers. As he neared Boulder, the negro who was alone in the car, turned slightly to the right, crossing the sidewalk and smashed into the locked doors of the Forster Davis Motor company on the northwest corner. Police gathered about the car at once and the negro was taken to the police station where he was booked for careless driving and drunkenness.

### FOUND CARDUI GREAT BENEFIT

South Carolina Lady Suffered Until She Couldn't Stay Up or Go Anywhere. She Tells How Cardui Helped Her Get Well.

Batesburg, S. C.—In telling how she found relief from troubles that had caused her much suffering, Mrs. E. E. Oswalt, of this place, says: "Each month I would begin to suffer with my back and head. My limbs would ache and I would chill. I wouldn't be able to stay up, no matter what I wanted to do, or where I wanted to go. My people tried giving me different medicines and teas and tonics, yet I didn't get any better."

"Some one told me of Cardui, and I began to take it. I noticed it helped me. I kept it up. After a few months I didn't have any trouble, except about six months I used it, before."

"I found I was all right, and from that day to this have never had any trouble at all. I have taken it since, a bottle or two in the winter, especially when I have been exposed, and would take a cold, for I consider it the best thing a woman can take to tone up the system, keep off nervousness and increase the appetite. I certainly know it has been of great benefit to me."

If you are weak, nervous, or suffer from womanly troubles such as Mrs. Oswalt mentions, take Cardui, the Woman's Tonic.

All good druggists sell Cardui—Advt.

## Deserts 13 Year Old Girl-Wife; Believed to Have Family Here

Special to The World.

SAPULPA, May 24.—Willie Williams of West Tulsa, an oil field worker, married 13-year-old May Lamb whose parents recently moved from this city to McCloud, the girl told Mabel Bassett, county humane agent Friday afternoon after being detained here. The girl said that although she is not yet 14 years old, her parents consented to the marriage and that the ceremony was completed at the capital about a week ago. Thursday, she said, her "husband" went to Tulsa to find work and since that time has not returned. She said that he left her only a small amount of money and that she was staying at the home of friends here. Mrs. Bassett said that Williams is believed to be the man of the same name who deserted a wife and two children about 25 miles from Sapulpa on the Tulsa-Sapulpa road last November. She said that Williams at that time had a car of horses and that he drove off in a wagon leaving the wife and children under a canvas cover without money and with little food. The woman and her children later moved to West Tulsa.

The 13-year-old girl was detained here Friday night while her story of the marriage was confirmed by communication with her parents and with a sister, Mrs. Alma Ithman, living near Red Fork. Tonight, the girl is at home in McCloud with her parents. Williams, the husband, has failed to reappear here.
